MISSION

At the Parkdale Food Centre, we provide healthy food, nutritional education and a warm welcoming environment to our neighbors in need while encouraging self-sufficiency. We use “neighbours in need” rather than clients to emphasize that those who rely on our services are our neighbours, who live in this community and that the PFC is a local, neighbourhood focused organization.

OBJECTIVES

1. Increase access to healthy food for everyone
2. Increase skills, knowledge and behavior around healthy food
3. Reduce social isolation and increase connection to a variety of supports
4. Increase the Centre’s institutional capacity to deliver programs and education

I have read and I support the Mission and Objectives of the Parkdale Food Centre
